IRA Transfer Request for Spouse Beneficiary

Use this form to direct the IRA custodian, Fidelity Management Trust Company ("FMTC"), to transfer a Traditional, Roth, Rollover, SEP or SIMPLE IRA ("IRA") inherited from your spouse to your Premiere Select IRA. You must include a copy of the IRA owner's death certificate. Type on screen or fill in using CAPITAL letters and black ink. If you need more room for information or signatures, use a copy of the relevant page.

Helpful to Know

- You must be a spouse beneficiary to transfer inherited IRA assets to your own IRA.
- You must have an existing IRA or to establish a Premiere Select IRA, you must complete a Premiere Select IRA Application.
- If the decedent dies after his or her required beginning date, you must satisfy the decedent's required minimum distribution ("RMD") for the year of death if the decedent had not done so prior to death.
- IRS regulations do not allow transfers from a Roth IRA to a Traditional IRA (Traditional IRAs are defined as including Rollover IRAs, SEP-IRAs, and SIMPLE IRAs) or from a Traditional IRA to a Roth IRA.
- When completing this form, if you do not elect to transfer all of the inherited assets to which you are entitled to your own IRA, then you may request to transfer the remaining assets to a Premiere Select IRA BDA. To transfer to an IRA BDA, you must complete a Premiere Select IRA Application, which can be obtained from your investment representative.
